# Mustang Cluster Kit

Instrument cluster upgrade kit  
Model years 2005 - 2009

P/N 2046

## Ford Mustang Cluster Kit Model years 2005 - 2009

### Race-up your interior

Simco, the designer of OEM instrument clusters for top specialty vehicle manufacturers and aftermarket gauges, now produce their patented technology and racing-inspired designs specifically for the consumer market. Our cluster upgrade kits are an easy way to customize your vehicle with step-by-step instructions.

### Kit Features

- New white or silver bezel rings
- Classic white or silver series custom race graphics
- Custom white or silver accented molded pointers
- Backlight color using original OEM lighting (including "my color" option)
- Pointer remover tool and calibration template
- Maintains original vehicle miles
- 12-month product warranty
- Step-by-step, hassle-free installation instructions
- Online forms and technical support

**Important:** Kit must utilize a functional instrument cluster

Night View

We create the vehicle enhancements that "Drivers like to see".

Our gauges combine race style graphics, white or satin silver ring bezel, injection molded pointers with white or silver accent while utilizing OEM backlighting.
